

EASTER NEWSLETTER

Dear Parents / Carers

We've nearly made it to the Easter holidays so I thought it was time to update you on all kinds of things that are happening in the near future.

Red Nose Day

Thanks to your generosity we raised £221 for good causes. Thank you to all who contributed.

Gardening

Anything garden related like seeds, cuttings, hanging baskets etc would be very welcome as would any volunteers to help us. Please see Miss Walton if you can help. Please encourage the children not to pick flowers on the site because we want everybody to look at them!

School playground in the morning

For the safety of the smaller children, children in prams and parents there should be no children on the tyres or trim-trail or ball games in the mornings. Due to our morning meeting and getting ready for lessons there is limited supervision on the yard and we want to keep everybody safe.

Milford Messenger

This year's excellent Milford Messenger Newspaper, produced by Miss Evans' class, is on sale for 75p. It's a bargain! Please see Mrs Rowe if you want to buy a copy.

Reading Book Amnesty

Please check at home and see if you have any Milford reading books at home. If you find any and return them before Easter, we promise not to get cross and we'll probably hand out loads of smiley faces as well to say thank you.

Coats / hats / suncream

Please continue to send children to school with waterproof coats because it often rains during the summer months. Sun hats and sun cream are also really important for the children's delicate skin throughout the summer term.

Milford at Nottingham Forest

We're very proud of our school football team who will be playing at Nottingham Forest Football Club on Wednesday 4th May at 4.55pm in the Ron Matthew's Trophy competition. We would love to see lots of Milford supporters at the City Ground.

Punctuality

Thank you to all of you who get your children to school on time everyday. I know it can be a struggle at times. It really is important that children arrive on time to start the day off properly, so please make every effort to get the children into school by 9.00am.

Royal Wedding

Milford doesn't need an excuse to have a celebration. Mrs West is planning something after the Easter holiday so watch out for details!

Dog mess / parking

Issues outside the school gates are often out of our control but any complaints can be taken to Clifton Cornerstone (tel. 9405298) because they are the people who can deal with these sorts of issues.

Thanks to North Midland Construction

A huge thank you to North Midland Construction for the fantastic raised planter behind classes 6 and 8. We look forward to putting plants in there shortly.

Portakabin

The new portakabin is the first of a number of exciting developments at Milford this year. There will be regretfully and unavoidably some disruption on Dungannon Road in the holidays to allow this construction to take place. We will provide more details to those affected in the near future. The new building is going to help us improve on what we are already doing in school

School Photographer

The photographer will be returning to school on Monday, 16 May to catch up with a few children. If you have any specific photography needs for any reason that were not managed last time, please let the school office know.

Mother's Day

A huge thank you from Sharon Ford to all of you who helped and attended the Mother's Day afternoon and made it a great success.

Nottingham City New Leaf Stop Smoking Services

There will be a trailer situated on the Clifton Leisure Centre car park every Friday between 6 - 14 May at 8.30am till 3.45pm.

and finally

I'm sorry that this is such a packed newsletter. Well done if you have kept going all the way to the end! If I don't see you before I hope you have a great Easter holiday.

Yours sincerely

D Magner
Head Teacher
