

Viking Wow Event -

Class 6, 7, 8 and 10 all took part in a 'Wow' event to celebrate the end of our Viking topic. We were given a choice of 2 exciting Viking activities to take part in including making Viking soup, clay boats, factsheets and weaving.

Our parents came at the end of a day to see all of our work, watch a PowerPoint of photos made by us and to try some of our delicious soup!
