

Upper Key Stage 2

WOW Event

Autumn 2011

The children in Classes 9, 11 and 12 hosted a WOW Event on Tuesday 18th October to celebrate the work they had done as part of their Design Technology project on Fairground rides. Parents were invited in for an assembly and were given the opportunity to watch a video that had been put together from the trip to Goose Fair and all the work the children had done. That was followed by a chance to look at all the work and taste some fairground food that the children had made. A BIG thank you to all of those parents that attended.

Take a look at some of the pictures from the event:
