

PROBABLY THE LAST NEWSLETTER OF THE YEAR!

Opening in the Snow

Thank you to all of you who have been bringing your children to school every day. I know it's been a struggle and it's not getting much easier but hopefully the worst is over now. The local authority has thanked us, as one of the few schools that have managed to stay open all of the time but that has been a real team effort and something the whole school community can be proud of.

Winter Clothes

The temperatures are really freezing at the moment and we have noticed one or two children have been really shivery first thing in the morning. Please make sure all the children have plenty of layers, a woolly hat, scarf and coats and then we should be able to keep them warm for the rest of the day.

Emmanuel House

The cold weather has made us even more aware of how much homeless and vulnerable people need our donations. Please donate any new or used (in good condition) socks, scarves, gloves and unused toiletries to the school office. Thank you for your generosity.

New Children

We are welcoming lots of new children to the school over the next few weeks and we are getting very close to being full which is a good problem to have. We will make every effort to help them settle in quickly into their new school and community.

The Choir and Band

Our school choir and band will be representing the school at the Albert Hall in town next Monday. The choir will also be singing at the Local Council offices and at residential homes in the community before the end of term. They always represent the school superbly and we wish them well with their singing.

Milk Money

From January 2011 milk money will be going up to £7.00 per term for those children in Key Stage 1 who pay for their milk.

All that is left is for me to say that I hope you all have a safe and festive Christmas and a very happy new year.

D Magner - Head Teacher
