

LOWER KEY STAGE 2

ABORIGINAL WOW EVENT

On Monday 12th December, the children from Classes 6, 7, 8 and 10 hosted a WOW event to show the work they had been doing on the Aboriginal Culture. Parents were invited in to watch the children's performances and have a look at the work they had produced throughout the topic. There were performances ranging from dancing, singing and drumming.

Here are some photos from the afternoon!
